Become a Tutor

Who can become a tutor?

Any adult (18 years or older) with a high school diploma or GED certificate, a valid Hillsborough County Public Library card, and transportation can become a tutor.

What do tutors do?

The Hillsborough Literacy Council offers tutoring in two areas, Adult Basic Education (ABE) and English for Speakers of Other Languages (ESOL).

ABE tutors work with adults who would like to learn to read. Tutors work with students in one-on-one sessions.

ESOL tutors work with students who would like to learn to speak and read English. Tutors are matched with one student or a small group. ESOL tutors do *not* need to speak their student's native language.

ESOL and ABE tutors meet with their students once or twice a week for at least an hour. We ask our volunteer tutors to make a one year commitment to the program.

How do I become a tutor?

All volunteer tutors are required to attend a new tutor orientation and training session where they learn the fundamentals of the HLC tutoring program as well as tips for working with adult learners. Training sessions are held several times a year and last approximately 6 hours. Upcoming training dates can be found on the Important Dates tab on our website. There is a registration fee of $20.00 ($15 for those 65 years and older, $10 for Hillsborough County employees) for this training which covers all training materials and tutoring resources. Scholarships may be available if you are unable to pay this registration fee, please contact our office to find out if you qualify

If you are interested in attending one of our training sessions, please fill out the Registration Form and return it by email, fax or to our P.O Box.
